

# Be the Leader People Crave

## Module 3

### Listening to Story

1. What are the essential elements of the person's story? Name the assertions. Are the assertions True or False? What are the assessments?

2. What's the grounding for the assessments?

3. What standards are being used to ground the assessments?

# Listening to Story - Continued

4. Are the standards shared by the specific community or are they private or fantasy standards?

5. What declarations are being made?

6. What conversations will open possibilities or shift the conditions?

7. What new declarations do you see that can be made to help the person build power and dignity?
