PROFESSIONAL REVIEW

What were my/our biggest professional accomplishments this year?

What did I do well that I want to keep doing?

What do I want to do better next time?

How did I grow in my leadership this past year?

What limits have I put on myself (& others) that have constrained my vision?

What must I communicate to be complete for this year? With whom? When?

Moving into the new year, what am I passionate about?

What do I need to let go of to create space and resources for this to occur?

PERSONAL REVIEW

What were my most notable personal accomplishments this year?

What do I need to **start** doing? **Keep** doing? **Stop** doing?

What would I like to do better next time? Why does this matter?

Regarding my family and community, what/who made the biggest impact?

What stories am I telling myself (& others) that aren't true anymore?

What were the strongest connections this year? The weakest? What needs to shift?

Moving into 2024, what am I most passionate about for the year ahead?

What do I need to say 'no' to to focus on my passions? What do I want to say 'yes' to?

Final Musings

What surprised me the most in this review process?

Who do I need to thank for the contributions they've made to me?

What (and whose) support do I need to reach my goals in the upcoming year?
